The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Yadkin County 911 Emergency Center in Fiscal Year 2027. The entity to receive funding for this project is the Yadkin County Government located at 206 E. Hemlock Street, Yadkinville, NC, 27055. The funding would be used to renovate a county facility to support 911 Emergency Communications to ensure they have sufficient space to operate and are able to provide all necessary services to citizens, law enforcement agencies, and emergency services.

The project is an appropriate use of taxpayer funds because his facility will support citizens that are calling 911 for health and public safety emergencies. The project has a federal nexus because the funding provided is for purposes described in section 501 of the Omnibus Crime Control and Safe Streets Act of 1968 (34 U.S.C. § 10152).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Pat Harrigan
Member of Congress
