Committee on Appropriations

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the East Lincoln Transmission Line project in fiscal year 2025. The entity to receive funding for this project is Lincoln County. The funding would be used for a transmission main is that is needed to provide adequate flow and pressure to provide water quality and fire protection to homes and businesses.

The project has a federal nexus because it is authorized under Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Pat Harrigan  
Member of Congress
