The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Joint Law Enforcement Task Force Facility and Emergency Operations Center Upgrade Request project in fiscal year 2026. The entity to receive funding for this project is the City of Hickory, NC. The funding would be used for improvements to the city-owned building which would enhance multi-agency operations and assist in establishing a real-time crime center and a future emergency operations center.

The project has a federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Pat Harrigan
Member of Congress
