The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the 800mhz Radio Towers project in fiscal year 2026. The entity to receive funding for this project is the Lincoln County, North Carolina. The funding would be used to replace its 21-year-old mobile command truck that has aged out of its functionality.

The project has a federal nexus because the funding provided is for purposes authorized by section 203 of the Stafford Act (42 U.S.C. 5133), as amended by Section 1234, National Public Infrastructure Pre-Disaster Hazard Mitigation, of the Disaster Recovery Reform Act (DRRA) of 2018.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Pat Harrigan
Member of Congress
