The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Love Valley Wastewater Project Phase 2 project in fiscal year 2027. The entity to receive funding for this project is the Town of Love Valley, located at 133 Henry Martin Trail, Statesville, NC 28625. The funding would be used for replacing failing wastewater infrastructure with a sustainable long-term sewer system. The project is an appropriate use of taxpayer funds because it addresses a critical public health need by replacing failing, unpermitted wastewater infrastructure that has caused illicit discharges to surface waters, while providing a sustainable long-term solution for an underserved community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Pat Harrigan  
Member of Congress
