The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Public Services Facility Project in fiscal year 2027. The entity to receive funding for this project is the City of Claremont, located at 3288 E. Main Street, Claremont, North Carolina 28610. The funding would be used to construct a new public services facility to replace the existing 1960 building and consolidate personnel, equipment, and operations into a modern campus. The project is an appropriate use of taxpayer funds because it will improve the delivery of critical infrastructure services, enhance operational efficiency, and support public health, safety, and economic stability while reducing response times and long-term costs.

The project has a federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Pat Harrigan  
Member of Congress
