The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Police Department Renovation and Expansion Project in fiscal year 2027. The entity to receive funding for this project is the City of Conover, located at 101 1st Street East, Conover, North Carolina 28613. The funding would be used to construct a 5,000-square-foot addition and renovate the existing police facility at 115 2nd Avenue NE, Conover, NC 28613. The project is an appropriate use of taxpayer funds because it will address overcrowding, improve operational efficiency, enhance officer safety, and support effective law enforcement services in a growing community.

The project has a federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Pat Harrigan
Member of Congress
